

Sing

Yaama how are you feeling today?
Yaama how are you feeling today?

Are you feeling happy, or are you feeling sad?
Are you feeling scared, or are you feeling mad?

I know sometimes it's hard to say!
You might have lots of feelings and that's ok!
We've all got feelings, you and me.
But we can all live in harmony.

When you're feeling happy, dance dance dance Like a purraalka. (brolga) *Do a little dance.*

Everyone has feelings, you and me,
