QUALITY AREA 2: CHILDRENS HEALTH AND SAFETY

POLICY NAME: CLOTHING AND COMFORT

POLICY STATEMENT

Children need protective, comfortable and appropriate clothing and footwear to explore their environment and participate freely in experiences. Clothing needs to protect children from injury and sun exposure whilst promoting self-help abilities. Appropriate footwear will fit a child's foot correctly and ensure comfort. Staff will also dress to prevent injury and sun exposure and will be encouraged to dress in a professional and respectful manner, being positive role models for children.

BACKGROUND

Children being clothed appropriately enables them to play without risk of sunburn and serious injury caused by inappropriate footwear or clothing. Children are more at ease, comfortable, and less anxious when they are dressed for warmth during winter or not over-dressed during summer, or wearing safe footwear when climbing outdoor play equipment or participating in physical activity. Exploring and getting messy is an integral part of childhood and children cannot freely express themselves and fully explore the experiences provided if they are concerned about getting their clothes dirty and we ask that families consider this when choosing the clothes that their child will wear to the service.

OVERALL STRATEGIES/HOW WILL IT BE DONE?

CLOTHING CHOICES

Clothing is a way of expressing our culture, personality and individuality. The clothes children wear can affect the development of their independence, self-help skills and participation in play-based activities in early education and care services. We understand that young children are developing their self-concept and individuality and may be intent on wearing particular accessories or clothing items to our service. We respect their choices and encourage their independence; however, some clothing types or accessories may be dangerous and hinder their participation in physical activities. For example, dresses or skirts that have long hems may cause tripping when children attempt to use play equipment or bikes. Long necklaces, drawstrings on jumpers and long ribbons can also be hazardous to children's safety if they become caught in equipment. We request that families talk to their child about the choice of clothes and activities they will be involved in at our service and help them to choose clothes that will be practical.

SUITABLE CLOTHING AND FOOTWEAR

We encourage all families to send their children to the service with the below clothing and footwear:

- Safe sleepwear (if applicable)
- Sun protective clothing (sun safe hat provided by the service)
- Clothing that is comfortable, does not restrict movement and doesn't cause any safety concerns
- Clothing that can be easily removed for nappy changing and toileting (e.g. clothes that are easy to pull down rather than clothes with belts or buttons)
- Clothing and footwear to facilitate self-help (e.g. velcro straps on shoes rather than laces if these are easier for the child to do themselves)
- Clothing which can be worn during messy play activities
- Appropriate clothing for the weather conditions (we encourage warmer/cooler clothing options to be kept available in the child's bag in case of a change in weather conditions)
- Safe, sturdy, enclosed footwear for play experiences including climbing and running

SPECIAL CLOTHES/DRESS UP

To facilitate pretend play and celebrate different events, children may be invited to dress up according to a theme or particular celebration. Our staff will communicate with families to ensure all children have the opportunity to engage in these activities by wearing appropriate clothing. When dressing their child in 'dress up' clothes, families are asked to ensure their child's footwear is appropriate for play-based learning at the service and ensure clothing is sun safe. Spare 'dress up' clothing will also be available to all children at the service to wear if they choose.

COMFORT TOYS/SECURITY ITEMS

Many children have a 'security' item that soothes them and helps them to cope throughout a busy day. Security items may include items such as a special blanket, dummy, soft toy, or even a strip of satin ribbon from a blanket etc. We ask that if children have a comfort toy or security item that it is labelled with the child's name and brought to the service each day. When not required or in use we will ensure that the child knows that it has been put safely in their bag. Families are encouraged to regularly discuss the use of comfort toys/security items with educators as their child's needs change.
